Great Things Happening
Maureen Westcott, Executive Director

At The Arc, we consider September the start of our year as that is when our programs begin. Usually we spend the summer taking a breather and discussing ideas. This summer the team was able to attend The Arc US Summer Leadership Institute and came back with LOADS of ideas! I love when they have ideas, however, my job is to make sure what we do fits into our current strategic plan. Here is how our plan looks.

How Educational and Adult Advocacy Can Assist Individuals and Families

The Arc works collaboratively with families, school districts, and IU13 to ensure that children with ID/D or autism have access to free and appropriate public education with the appropriate supports and services. In the last fiscal year, Amy Fisher has:

- worked with families of children receiving special education from preschool to age 21 in both Lancaster and Lebanon counties.
- attended IEP meetings in 14 of the 16 school districts in Lancaster County and 5 of the 6 school districts in Lebanon County.

Adult advocacy

- assisted individuals and their families through the sometimes confusing process of applying for social security, Medicaid, supports coordination, waiver funding, and any appropriate supports and services needed.
- worked to ensure the individual is at the center of any planning and they are participating in decision making to the greatest extent possible.
- collaborated with individuals with disabilities as well as providers, both Lancaster and Lebanon county offices, supports coordination organizations, and families.
- facilitated the Facing Forward Program last fiscal year which met once per month with families to help them develop a vision for their child with a disability and plan for the future and a “good life.”

As a non-profit, we learn “mission drift” is something for which to watch. There are so many needs in the community, and because we are here to help, we want to fill those needs. But we cannot be everything to everyone. We can however expand our programs. And that is what we did this year. We are excited for the following updates:

- We are looking to hire a Family Support Specialist who will work in tandem with our Advocacy position to help families who need more intensive support than advocacy. They will help develop outcomes and identify barriers to a successful life and help identify supports and services utilizing LifeCourse Tools and other resources.

- We will be holding quarterly trainings on the LifeCourse tools. The first one is on Saturday October 14. (See flyer on page 3).

- Our Self-Advocate group WAGES has transitioned to The Arc Academy. While social programs are necessary we want to emphasize learning skills necessary for independence.

- The SibTalk participants did not want to stop participating because they aged out, so the program will have two groups – Age 8 to 11 and 12 to 15. We need a volunteer for this program which is held one night a month. Child clearances are required.

- DAT Diverse Abilities Training is under consideration to make sure we are implementing it in the best way. Currently we are doing a presentation for each grade’s classrooms which can mean 36 presentations for one grade in one school! It is a very popular programs with the schools and we are getting feedback for ideas to modify how the program is done or if we keep it in the current format.

One area of our agency needing attention is Membership. As an affiliated chapter of The Arc US, we are a member organization. However, people are not renewing their memberships, even with several reminders. Membership dues account for 10% of our annual budget so these funds are critical. If you would complete an anonymous survey to give us your comments and suggestions it is greatly appreciated. The survey is found at forms.office.com/r/QLNMrbE93t.

The Arc is at the table in the PA system of support for folks with Intellectual Disabilities and Autism to make sure your voice is heard on issues like the staffing crisis, the need for affordable housing, the problem with waiting for services, and more. If you would like to join us as we meet with legislators and state policy personnel to share your stories, drop us a line at info@thearclancleb.org. Legislators need to hear your stories! You can find your legislator’s contact information on our Resource page thearclancleb.org/resources under the Miscellaneous tab.

We hope you can join our upcoming luncheons in Lancaster and Lebanon Counties. Many times, families tell us they need to meet other families so this is your chance! Free and open to everyone.

Stay in touch and watch for our monthly email. if you are not getting that send an email to Dana at info@thearclancleb.org to be added to the list.

Arc Angel Holiday Project

Do you enjoy giving gifts and serving others in need? If so, please consider becoming an Arc Angel.

In collaboration with Support Coordination Organizations, The Arc Lancaster Lebanon organizes and distributes holiday gifts, purchased by volunteer Angels, to children and adults with ID/DD or Autism.

Arc Angel is celebrating 35 years! Last year, we were able to provide gifts to over 500 people! Join us in making this year the best year yet!!

For more information, contact Amy Austin at 717-394-5251 or amy@thearclancleb.org.

Advocacy Tip

Transportation is a related service under the IDEA and can be included in a student’s IEP. The IEP Team, which includes the parents/guardians, must determine if specialized transportation is needed for the student to access special education and related services. You can find out more here: sites.ed.gov/idea/files/OMB_08-0101_Transportation-11-4-09_FINAL-1.pdf

Ways to Support The Arc

Make a Donation
Your donation help to support our programs for Lancaster and Lebanon residents with Intellectual and Developmental Disabilities and Autism and their families.

Donate online at thearclancleb.org/donate, or mail a check made payable to “The Arc Lancaster Lebanon.”

Eat at Knight & Day or Park City Diners and when you pay your bill, let them know you want to make a donation for “The Arc.” A donation will be made to us and doesn’t add to your bill.
